Creative Encounters is a **summer day camp program** for students entering grades 2-12. We offer two programs, a Science and Engineering camp, and a TechQuest Computer Science and Technology camp. This amazing opportunity will allow you to complete your **forty (40) hours off community service in one week!** We are located in the School of Engineering at the University of Guelph. This summer we are looking for enthusiastic, hard-working, positive role models to volunteer in the months of **July and August!**

TO APPLY: You must fill out the application and registration forms found on our website, and have a police record check completed before your volunteer. Applications can be dropped off, or mailed in!

Deadline for Applications:

May 1st, 2009
